And now . . .

there remains only a time for . . .

Remembering . . .

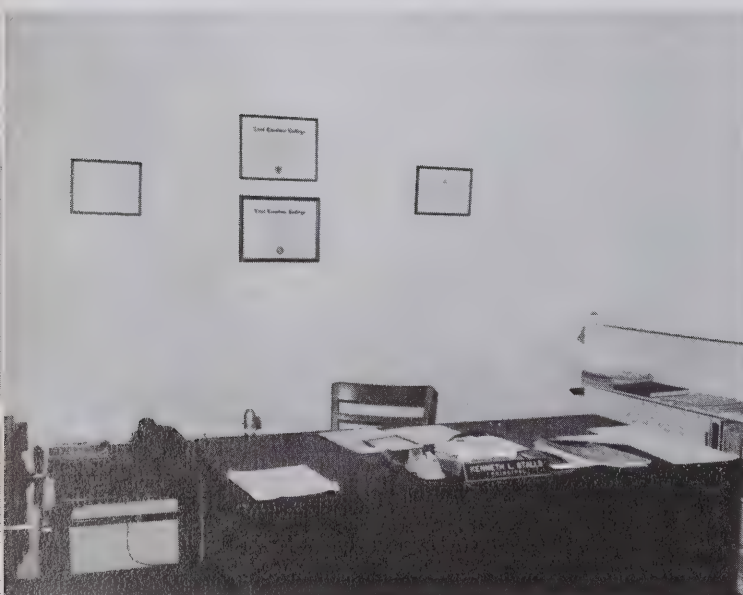

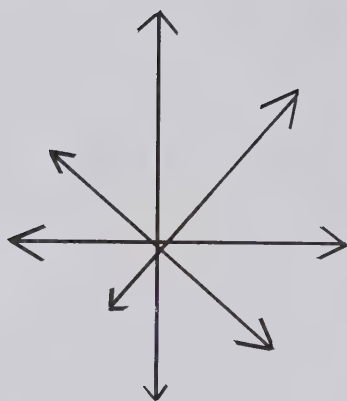

Miss Catherine Aman

**In
Appreciation**

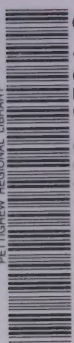

**Now
is
the
time . . . 1968!!**

END CONSTRUCTION—to the 1968 CHOWAN CHIEF volume of memories, a year of change. For those who have obtained knowledge, discovered new horizons, worked endlessly, given of their time, and found happiness at CHOWAN—to these this annual will be a reflection of this year. To a first grader it is a beginning; to a senior it is an ending. Thank you to everyone who has contributed to the editing of this annual. We hope that in the future you will look back and recall these memories with mixed emotions.
